One in eight adults are carers. That's around six million people

Crossroads Care Rotherham respects the individuality of Carers and people with care needs and seeks to promote their choice, independence, dignity and safety. We believe that all Carers must have access to high quality services that enable them to fully benefit from a break from their caring responsibilities.

No-one cares more than Crossroads Care, not just in the scale of what we do or the 35 years experience that we have, but in the way we define care.

Service user testimonials

“The best thing since sliced bread. She really listened to me, gave me some great information and was so patient.”

“Rated 11/10. Absolutely wonderful and can't praise enough, B has got a wonderful talent. The sessions what she has learned has changed herself and the carer can calm herself on her own, it has really changed the way she thinks. Praise is definitely due and the carer hopes more carers and people will access this. People at Crossroads have been brilliant also (namely C), the support given has been very important and the people at Crossroads are really nice and wonderful people.”

“I want to thank you all at Crossroads, you are all so caring, helpful and considerate, and have made such a massive difference to our lives.”

The rules

Ensure you're fundraising for Crossroads Care Rotherham:

There are a lot of branches of Crossroads Care across England, but we are located in Rotherham and we are classed a separate charity Help us by making sure you're raising money for our branch.

Keep us updated:

Let us know of your progress! We're here to offer all of our support and advice to help your fundraising campaign be a success. Send us your pictures, tell us your stories (the good, the bad and the funny). We can post these on our social media pages and website to help you gain more attraction for the event you have planned. We're genuinely interested in what you're doing, so feel free to let us know.

Make a fuss of it:

We're in desperate need of extra funds, so the more of a fuss you make about your event, the more attraction you gain and the more money you can raise. Ask everyone you know and post your event everywhere you can. Every penny you raise can contribute to helping the people who really need it.

Feel free to ask for our assistance in your quest.
