

Carers Trust Grant Funding

Financial support for unpaid carers in Rotherham, Doncaster and Sheffield

If you're an unpaid carer living in **Rotherham, Doncaster or Sheffield** and are experiencing financial hardship, you may be able to access support through the **Carers Trust Carers Fund**.

Crossroads Care is proud to be a **Carers Trust Network Partner**, enabling us to assess eligible carers and, where appropriate, apply for grant funding on their behalf.

What can the grant help with?

Every application is assessed individually, but funding may be available to help with:

- Essential household items
- Everyday living costs
- Equipment to support your caring role
- Technology and digital access
- Health and wellbeing
- Short breaks from caring
- Other essential needs that help you continue caring safely and effectively

Please note that funding is limited, eligibility criteria apply, and we cannot guarantee that every application will be successful.

Who can apply?

You may be eligible if you:

- Are an unpaid carer aged 18 or over.
- Live in **Rotherham, Doncaster or Sheffield**.
- Provide regular care for a family member, friend or neighbour who could not manage without your support.
- Are experiencing financial hardship or have an identified need that the grant could help address.
- Meet the current eligibility criteria set by Carers Trust.

Our team will discuss your circumstances with you and advise whether a Carers Trust grant application is suitable.
